

## **Congratulations on Advancing to Phase 2 – Eco-Tech Hackathon 2026.**

Dear Team AlphaVerse,

On behalf of Environment Watch: BUET, we are pleased to formally inform you that your team has been selected to advance to Phase 2 (Online Video Pitch Round) of the **Eco-Tech Hackathon 2026**. After a rigorous and highly competitive evaluation process, your proposal has successfully secured a position among the top 30% of participating teams. Your idea possesses innovation, feasibility, and relevance — qualities that align strongly with the mission of this hackathon.

For Phase 2, each team must submit a 3–5 minute video presentation. The presentation must clearly address the following components:

1. Problem Statement (with data and stakeholders)
2. Proposed Solution (how it works)
3. AI / Modern Technology Integration
4. Features and Applicability
5. Market Opportunity
6. Business Model
7. Environmental and Social Impact
8. Prototype Stage and Development Roadmap
9. Team Introduction

Please note that omission of any of the above components may result in a deduction of marks during evaluation.

To proceed to Phase 2, all shortlisted teams are required to complete the official registration process.

**Registration Fee: BDT 450 per team member**

**Payment Method: bKash (Send Money)**

**Number: 01518917235**

**Registration Link: <https://forms.gle/XaZBnHzpn4soEqAN6>**

Registration will be confirmed upon verification of payment.

**The deadline for submission of the Video Pitch is 22 February 2026.**

We sincerely congratulate you once again on reaching this stage. Advancing to Phase 2 is a testament to your hard work, creativity, and dedication toward building impactful environmental solutions. We look forward to seeing your ideas evolve further and wish you continued success in the upcoming round.

Sincerely,

Organizing Committee

Eco-Tech Hackathon 2026
